# Which care level is the right choice?

## essentialCARE

Minimal assistance required, such as getting dressed, or bathing. Guests are able to plan and organise their own daily schedule.

## comfortCARE

Suitable for guests requiring assistance with various tasks throughout the day, but able to manage simple aspects without difficulty.

## intensiveCARE

For guests who need full hands-on assistance in every aspect of daily living, from waking until sleeping. No 1:1 supervision during the night.

## permanentCARE

The same as intensiveCare, but with 1:1 supervision and support 24 hours a day.

**Due to its great experience, our nursing department will determine the classification into the appropriate care stage.**
